Dear E.MAP Member,

On behalf of the Employers Medical Access Partnership (E.MAP), please accept my invitation to our Annual Membership Meeting. This year's event will feature Las Vegas headliner Steve Lippia and a 10-piece band paying tribute to musical greats such as Frank Sinatra, Bobby Darin, Tony Bennett and Harry Connick, Jr... This is first class entertainment that you won't want to miss.

E.MAP, along with our co-sponsor UPMC Health Plan, is sponsoring the concert as part of our "E.MAP Member Appreciation Night." To thank you for your continued support of E.MAP, we have offered each member business **two free tickets** (an \$80 value) to the event which is being held at the Pasquerilla Performing Arts Center at UPJ on Friday, May 20th.

E.MAP has purchased a block of 500 tickets for our membership. RSVPs for these free tickets (the best seats in the house) will go very fast. Even though the RSVP date on the invitation is Friday, May 6th, I encourage you to reserve your tickets right away by calling the E.MAP Hotline at 814-243-0012. Tickets will be given out on a first come, first serve basis. Call today so you don't get shut out.

I have enclosed a flyer about the big event. We will be hosting a pre-concert reception featuring cocktails and hors d'oeuvres beginning at 5:30 p.m., hold a very brief business meeting, and then enjoy a great show at 7:30 p.m. **IMPORTANT: To better facilitate our event, the venue has moved to the Pasquerilla Performing Arts Center at UPJ** from the Arcadia Theater, so make sure you go to the right place.

On behalf of the E.MAP Board of Directors, thank you again for your continued support of E.MAP. We look forward to seeing you at the event!

Sincerely,

**Steve
Lippia**

Steve Lippia has become one of the most prominent, in-demand vocalists in the country. This Las Vegas and Atlantic City headliner is one of the finest interpreters of the great American classic standard and adult contemporary pop music in the world.

With his own unique vocal styling, Steve Lippia sings with tremendous verve, soul and power - in the tradition of Frank Sinatra and other greats like Tony Bennett, Bobby Darin, and Harry Connick, Jr. He recently starred in the Las Vegas comedy-musical hit show "The Rat Pack Is Back."

His repertoire includes such great standards as *I've Got You Under My Skin*, *The Lady Is A Tramp*, *Mack The Knife*, *I Remember You*, *Just The Way You Are*, *That's Life*, *The Best Is Yet To Come*, etc. He will be performing with a 9 piece band.
