

Associates in Family Eyecare

Attention Employees:

LASIK Vision Correction featuring
"Custom Wave Scan" technology for just

\$1,195

per eye for employees and family members, through E.MAP*

If you or a family member is considering LASIK Vision Correction, it just became more affordable and better than ever. Associates in Family Eyecare has offered a special price to employees and family members of businesses who have joined E.MAP.

Plus, this is LASIK featuring "Custom Wave Scan" – the latest technology available. With Custom Wave Scan the laser will customize to your own cornea scan to reduce side affects of glare.

To take advantage of this special price for Custom Wave Scan LASIK, simply schedule an appointment with Associates in Family Eyecare for a consultation. All you need to do is provide proof that you or a member of your family is employed by an E.MAP member employer (a copy of a paycheck stub, an employee ID, or a business card will do).

E.MAP is a healthcare coalition serving employers in Cambria, Somerset, Blair and Bedford counties. E.MAP uses the buying power of many businesses to negotiate favorable pricing arrangements for a variety of services.

Associates in Family Eyecare is a proud supporter of the E.MAP/ Conemaugh Health System Critical Skills Scholarship Fund. This endowment supports local students preparing for medical careers.
